

TOTAL 90 OMNI

CONSISTENT ACCURACY. COMPLETE CONFIDENCE.

No matter where you strike it, the revolutionary new Total 90 Omni responds with confident accuracy and explosive power.

360 SWEET SPOT GEOMETRIC PRECISION

- // Distributes pressure evenly across panels and around the ball
- // Consistent, accurate and powerful no matter where it's hit
- // Engineered to be the game's perfect sphere

TRUE INSIGHT ASYMMETRICAL HIGH-CONTRAST GRAPHIC

- // Generates a more powerful visual signal as the ball rotates
- // Easier to identify and track in peripheral vision

CONSISTENT TOUCH MICRO-GROOVED PU CASING

- // Exceptional shape retention, durability, aerodynamic stability

CROSS-LINKED NITROGEN-EXPANDED FOAM

- // Ensures consistent, soft feel in all conditions

ENGINEERED RUBBER RESPONSE LAYER

- // Stores energy from impact and releases it at launch

POLYESTER/COTTON SUPPORT FABRIC

- // Enhances structure and stability

SC1493 TOTAL 90 OMNI A-LEAGUE

SIZE: 5

- DESIGN** Geometric Precision distributes pressure evenly across panels and around the ball for a consistent, accurate and powerful strike no matter where it is hit. Perfect Sphericity allows the ball to fly faster, farther, and more accurately.
- GRAPHIC** Asymmetrical High-Contrast Graphic creates an optimal flicker as the ball rotates for a more powerful visual signal allowing the player to more easily identify and track the ball.
- CASING** Compressed Polyethylene Layer stores energy from impact and releases it at launch. Cross-Linked Nitrogen-Expanded Foam for exceptional shape retention and durability. Polyester Support Fabric enhances structure and stability.
- BLADDER** 6-wing carbon-latex air chamber for explosive acceleration.
- PROFILE** Elite Level Match Ball
- WARRANTY** 2 year stitch and shape guarantee.
